

IMPORTANT FEE CHANGES

FROM 01 JULY 2025:

- **Initial 50 minute consultation** - increasing from \$311 - \$322

- **Standard 50 minute consultation** - increasing from \$270 - \$280

AAPF Recommended fee 2025 - 2026 is \$330. Recommended fees do not include GST and are provided as a guide only. The recommended rates include time for preparation, notes, referral correspondence and other non-billable tasks

PLEASE NOTE:

- All fees are due on the date/time of attendance

- Fees will be processed automatically using stored card details on file via our online payment processing platform, Halaxy. From July 01 processing fees of up to \$5.99 per transaction apply

- It is the account payer's responsibility to ensure stored credit card and Medicare card details are up to date. Failed payments attract a \$10 late fee

- Upon receipt of payment in full, Medicare rebates will be processed automatically. Any failed payments will result in delayed Medicare claim submissions

- For eligible clients with a valid GP Referral and Mental Health Care Plan (MHCP) or Chronic Disease Management Plan (CDMP), the following increased rebates are claimable for a maximum of 10 sessions per calendar year:

- **Item code 80110** (individual session under MHCP) - \$98.95

- **Item code 10968** (individual session under CDM) - \$61.80

- Families that have met the Medicare threshold for the year may be eligible for rebates of up to 80% of their total session fee
