Intercultural Mutual Assistance Association

Tuesday, July 23, 2024, 7:45 a.m. to 3 p.m.

For any questions or to sign up, please call 507-284-4475 by July 17th

EVERY DROP COUNTS!

Every 10 minutes, a patient within Olmsted County needs a transfusion of blood or blood products. A simple blood donation can save the life of a child with leukemia, restore the strength of a cancer patient, or provide a critical transfusion to an accident victim. There is no substitute for this lifesaving gift, so patients rely upon the caring spirit of blood donors.

A blood donation takes approximately one hour of your time. During the donation process, you will be asked to fill out a health questionnaire and participate in a mini physical exam to ensure that you are in good health and able to donate. Afterwards, the donation itself takes just 10-15 minutes!
