PROJECT COMPLETION REPORT

CSR Grant from Western Coalfields Limited (WCL), Nagpur Playground Development Project

Introduction:

Nav-Jeevan Sanstha expresses its sincere gratitude to Western Coalfields Limited (WCL), Nagpur, for extending support through the Corporate Social Responsibility (CSR) grant for the development of a playground. The objective of this project was to create a safe and well-equipped play area for children and community members to engage in sports and recreational activities, thereby promoting physical and mental well-being.

Project Details:

The development of the playground involved multiple stages of work to ensure durability, safety, and functionality. The following tasks were undertaken:

1. Ground Leveling and Sand Filling:

- The uneven ground surface was leveled using high-quality sand to create a firm base.
- Additional soil and filler materials were used to strengthen the foundation.

2. Installation of Paver Blocks:

- Paver blocks were strategically laid to provide a stable walking and jogging surface.

- This also enhanced the aesthetics and safety of the playground, reducing risks of injuries.

3. Sewerage Line Relocation:

- The existing sewerage line running through the playground was properly relocated.
- Necessary repairs and reinforcements were made to avoid future maintenance issues.

4. Construction of Playground Gate:

- A sturdy and secure gate was installed at the entrance to ensure controlled access.
- The gate was designed to be child-friendly and durable, with proper signage.

5. Installation of Playground Equipment:

- Various play structures like swings, slides and seesaws were installed.
- Equipment was selected based on safety standards and age-appropriate usability.

6. Procurement of Sports Equipment:

- A variety of sports gear such as footballs, cricket kits, badminton sets, and volleyballs were purchased.
- This encouraged diverse sports activities, catering to different interests of children and youth.

Impact of the Project:

- The playground has become a hub for children and youth, fostering a culture of outdoor activities.
- The availability of proper sports infrastructure has encouraged more participation in games and fitness activities.

- The relocation of the sewerage line has enhanced hygiene and environmental safety in the area.
- The overall aesthetic improvement of the playground has contributed to community well-being and social interaction.

Acknowledgment: Nav-Jeevan Sanstha extends its heartfelt gratitude to WCL, Nagpur, for its generous CSR grant and unwavering support in the successful completion of this project. We also thank the local community, volunteers, and contractors for their cooperation and dedication in bringing this initiative to fruition.

Conclusion: The Playground Development Project has been successfully completed, providing a safe and engaging recreational space for children and the community. We look forward to maintaining and enhancing this facility in the future to ensure sustained benefits for all.

For Nav-Jeevan Sanstha
