## Reminders

Please, do not park in the grass or over sidewalks. Parking in the grass may create ruts in the lawns. The monthly HOA fee does not cover the cost to repair this damage. The homeowner would be responsible to pay for repair.

Please, do not drive across your neighbor's lawn. There is no "right of way" allowing anyone to drive across another's lawn. The homes on the North side do have a "right of way" allowing neighbors to drive over the paved area to access their own property.

Discard cigarette butts in appropriate container. Do not discard on lawns, driveways, or sidewalks.
