

# Electrocardiograph Technician (EKG)

144 Course Hours, 8 Weeks

**ABBE** Education  
Center & Staffing, LLC

## PROGRAM HIGHLIGHTS

### Program Highlights

- First Aid
- CPR
- Medical Terminology
- Infection Control
- Medical Abbreviations
- Heart Rhythms
- Anatomy and Physiology
- Safety in the Health Care
- Electrocardiograph Technician
- NHA Electrocardiograph Technician

Learn in depth knowledge of the 12 lead EKG and conduction system of the heart, as well as disorders that can be monitored with the EKG or other mobile monitoring systems. Our course will provide an understanding of pre-hospital emergency medicine and life saving techniques.

### HOW MUCH DOES THE EKG COURSE COST?

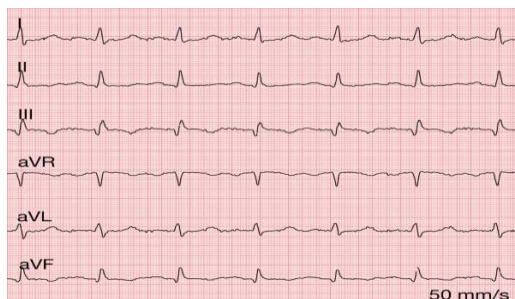

The cost of the course is \$550 which does not include \$115 for the NHA Certified Electrocardiograph Technician examination to be administered at ABBE education.

Upon successfully passing the exam, you will obtain national certification.

The textbook, EKG packet, lab coat, and safety goggles must be purchased prior to the first day of class.

### WHAT IS AN EKG TECHNICIANS STARTING WAGE?

The average starting wage is between \$12-14 per hour.
