Urgent Referral Form –Next Day/Same Week Cardiac Assessment

Patient Name:		Health Card Number:	
Date of Birth:		Gender:	
Phone Number:			

Referring Provider Name:	
Reason for Referral (Brief):	

Instructions for Referring Provider:

Complete this short referral form and give it to the patient. If concerned about the patient being lost to follow-up, you may also fax us this form. However, for quicker care, we recommend that the patient take the form and **call, email, or stop by our office** to arrange an appointment.

Instructions for Patient:

You may **call, email, or stop by the office** to book your appointment. Let the staff know you received an **urgent referral** from your healthcare provider.

Please bring this referral form and your current medication list to your appointment.
