

Leave a Lasting Legacy in Emmaus with a QCD Donation to the Emmaus Community Foundation.

Make a meaningful impact in your community while maximizing your tax benefits by making a **Qualified Charitable Distribution (QCD)** from your IRA to the **Emmaus Community Foundation**. A QCD allows you to donate **tax-free** while directly supporting the projects that matter most to you—whether it's preserving historic sites, enhancing parks, supporting the arts, or funding other community projects.

Your Legacy, Your Choice

With a QCD donation, **you help decide** where your generosity makes a difference. Choose a specific project that aligns with your passion, and we'll ensure your funds are used exactly as intended. Whether you want to improve our local parks, support the arts, or enhance community spaces, your contribution will create a lasting impact.

A Gift That Lives On

Your legacy can continue beyond your lifetime. Through a **personalized QR code**, future generations will be able to see the story behind your gift—how it shaped Emmaus and the values you stood for. Whether it's displayed on a plaque, community building, or memorial site, your generosity will be remembered and appreciated for years to come.

Let's build a better Emmaus together. **Make your tax-free QCD today and leave a legacy that truly lasts.**

To learn more or to direct your donation to our 501C3 charity, contact Chris DeFrain at 484-201-5235.

Board Members: Peter Adams, Chad Balliet, Chris DeFrain, Dustin Grim, John Hart, Michael Koch, Shane Pepe, Janie Slamon, and Evan Walters.
