

My Inspiration

My inspiration comes from God. Sometimes He uses my pain, sometimes empathy, and at times, the beauty that only He could have allowed me to see; but always through the lens He chooses to allow me to see.

Be it in form of words through poetry, or visually through the abstract of brush strokes or the lens of a camera, it all comes from the flow that God flows through me.

A thought, a feeling, or an emotion that becomes the conduit for pieces of my soul to flow; to motivate, inspire, develop, strengthen/serve or teach others through art.

Mediums

As an artist who uses different mediums to create, my art includes abstract art, poetry, photography, and more. Whether you need a custom piece for your home or office, or just want to explore some beautiful art, you are in the right place. I hope to inspire you along the way.
