Advanced Driving School is happy to be your driving school. We promise to give you all the tools you need to become a successful driver. Our program fee is \$700.00 (\$350.00 for class & \$350.00 for the drive portion of program). The first payment of \$50.00 is due at the time of registration. The second payment of \$300.00 is due the first day of class. The last payment of \$350.00 is due on the first drive.

The program consists of:

- 1) 30 hours of classroom
- 2) 12 hours of driving
- 3) 6 hours of observation
- 4) 2-hour parent class

This must be completed in a two-year period. There is a \$30.00 fee for all returned checks.

Once 6 hours of class or 2 hours of driving are completed, there will be no refunds. Before 6 hours of class or 2 hours of driving, one half of the fees paid will be refunded. A late cancellation fee of \$45.00 will be assessed to anyone cancelling a driving lesson with less than 24-hour notice. Cancellations must be made by calls or texts. A no show fee of \$45.00 will be assessed to anyone who is not at home, at school or does not have their permit in their possession when picked up at their appointed time and place. This fee must be paid before the next lesson can be booked. ADS reserves the right to cancel any class or driving lesson due to circumstances beyond our control such as bad weather. Students who damage school property in anyway, harass school personal or other students or have three no shows will be asked to leave the program with no refunds. Duplicate copies of the parent class completion certificate can be obtained for a fee of \$5.00.

Students will not be eligible for the insurance discount or book a road test (under 18 yrs. old) until the program is complete and have driven with their parents for 40 hours. Upon completion of the program a check for \$15.00 made to "MassDot" will be required.

Private lessons are at a rate of \$45.00 per hour.

Instructors may arrive 15 minutes prior to or after the appointment time due to circumstances beyond our control, such as weather and traffic. ADS requires all driving lessons be done over a minimum of three months. This gives the student time to practice with his or her parent between lessons. We reserve the right to cancel driving lessons if a student is not doing the required forty hours of driving with their parent or needs more practice before the next lesson.

Any missed class can be made up in a future class of the same content.

Road test appointments can be made by either calling the RMV or by going on line. If you choose to use ADS to sponsor your road test we can make your appointment for you. A \$50.00 nonrefundable deposit is required in advance for this service. The fee is \$125.00 less the deposit (\$50.00) and must be paid 7 business days prior to the road test. ADS will do road tests at the Plymouth RMV. For an additional fee we will go to the

Taunton RMV. Also, if you elect this service you must prepay the RMV fees of \$85.00 and we will take you to school or home after the road test. If you do not prepay the fees or need to prove lawful presence, we cannot wait for you to go into the RMV. We will take you home or to school and you will have to return to the RMV later.
