

Advanced Driving School  
359 Court St  
Plymouth  
774-404-5553

Advanced Driving School is happy to be your driving school. We promise to give you all the tools you need to become a successful driver. Our drive only program fee is \$550.00. The first payment of \$275.00 is due before the first driving lesson. The second payment of \$275.00 is due before the sixth driving lesson. Once the driving portion is done and the \$15.00 certification fee is paid, we will submit the paperwork to the RMV. The program fee does not include the road test. For an additional fee of \$150.00 we will sponsor your road test at the Plymouth RMV. For fees to other RMV locations please call Advanced Driving School.

This must be completed within two years of the start of driver's education. Once the first driving lesson starts there will be no refunds. A late cancellation fee of \$50.00 will be assessed to anyone canceling a lesson with less than twenty-four hours notice. A no show fee of \$50.00 will also be assessed to anyone not at their pick up location on time or not prepared for a lesson (not having a permit on your person or wearing sandals of any kind). These fees must be paid prior to the next lesson. Students who damage school property in any way, harass school personnel or other students or have three no shows will be asked to leave the program with no refunds given. These will include but not limited to swearing, slamming car doors or doing anything that could be considered dangerous to drive prior to a lesson. This behavior will also extend to the parents of students.

Instructors may arrive 15 minutes early or late. We try our best to be on time but there are circumstances such as weather or traffic that are beyond our control. We also reserve the right to bring your child home before the lesson is over if we feel they are not getting the appropriate practice at home.

**To be returned to Advanced Driving School**

- 1) Does the student have any medical conditions that may affect his/her ability to safely operate a motor vehicle?
- 2) Does the student take any medication that may affect his/her ability to Safely operate a motor vehicle?
