

# The Score

September 1, 2021

Hello Friends of The HighArt Foundation (HAF),

This past year has been a dream come true on so many levels and it all began with your support. I'm a firm believer in the quote by Oscar Winner, Denzel Washington, "Dreams without goals are just dreams...". With your generous support we met our goals for the 2020-2021 season and our dreams were fulfilled. Below are some reflections of the things accomplished and the HAF hopes to have your continued support. Thank you again and let's continue writing *The Score...*

Last year, we received over \$3000 in donations on North Texas Giving Day! This effort was instrumental in helping the HAF achieve its mission of presenting our inaugural fundraising concert, titled *HENOSIS*, and awarding four gifted and deserving high school seniors a \$2000 scholarship, to support them on their journey. All of the sponsors are listed in the program. Please click the link to view and learn more about the students and performers.

North Texas Giving Day is coming, but you don't have to wait. You can give today. The HAF needs your continued support to help Inspire, Support and Elevate young artists to a higher level of performance. Click the banner or scan the QR today to donate to The HighArt Foundation!
