Location: South Surrey Recreation & Art Centre
Visual Arts Room. 14601 20th Ave, Surrey BC

Registration: Oct 2 to Nov 4, 2026
Artist's Website: instagram@sfrancis54

Bio: Shannon started out in 1996 with a beginner's class in decorative acrylic painting, learning how to paint before learning to draw. This led to further studies in watercolours, pastels, calligraphy, mixed media, and ceramics - specifically piping clay in the Moorcroft style. Currently, Shannon focuses on handmade journals and folios using Gelli-printed inserts and coffee-dyed papers. Driven by a lifelong love of learning, she recently travelled to Barga, in the Tuscany region of Italy, for a nine-day art retreat to study botanical printing, cyanotypes, and bookbinding. The experience concluded with a group exhibition at Barga's Quattro Archi Art Gallery in Barga.

Description: Create a fun, Winter Themed Folio Journal filled with sparkling journal cards, tags and a small journal to fill with special memories or photos. Techniques covered will include heat embossing with embossing powders to create texture with dry embossing, how to use an envelope punch board, and a little bit of watercolour. **Complete kit provided for $10**.

Shannon will bring all the necessary tools to complete the folio, including Big Shot used for dry embossing, heat gun for the embossing powders, and envelope punch board. If time permits, the class may also do some watercolour winter themed cards.

If the buyer pays by cheque, they should make it out to South Surrey White Rock Art Society. " If an artists needs to remove a painting for whatever reason, please contact Cheryl, Sandy or Adam so we can coordinate with the artist. Please do not contact the venue directly.

Next opportunity to deliver your work for display:
Friday, September 25, 2026 at 2 PM

There are 10 - 12 spots available depending on the size of the painting. Each artist may submit one piece only.

Cheryl Vandenberg will be taking the info for this. Please send your requests to cherylavandenberg@gmail for the label. Please send your information to her ASAP.

If we have not responded within 48 hours then please resend your request.

Please include the following information in your email:

Title of artwork
Framed size
Medium
Price
Your name
Your phone number

Please note the following:

- Maximum size 16" height x 20" width; smaller if in a glass frame.
- Attach wires so that the painting can hang close to the wall without slanting outwards.
- Bumpers must be attached on the back bottom two corners.
- Title and Artist's name must be on the back of all paintings.
- Artist is responsible for dropping off and picking up their art, which should not be removed during the 4-6 month period other than when a painting has sold.
- Artist must sign a release form before dropping off their painting. No exceptions. If someone other than the artist is dropping off the painting, then you will need to give them permission to sign the release form on your behalf and let the coordinator know ahead of time.
- Information for labels (title, medium, framed size, price, artist's name, and phone number) is to be sent to the coordinator a week or so ahead of the scheduled installation. Labels will be made by the co-ordinator.

Neither Oceana Parc Playhouse nor the Art Society are responsible for damage or loss, although every effort will be made to ensure its safety.

WHEN A PAINTING SELLS:

Playhouse takes 20% Artist receives 80% of the selling price. The interested buyer will contact the artist directly. Please contact Sandy or Adam if your painting has sold or it needs to be removed and we will make arrangements with the playhouse to set up a time for that. Please do not contact the Playhouse directly. PST is to be paid for all paintings sold through the Art Society.

The buyer is to give a cheque made out to "South Surrey White Rock Art Society" or e-transfer for the full amount (including PST) to the Society treasurer. The treasurer then writes a cheque to the playhouse for 20% and the artist for 80%. There is no replacing the paintings once they are sold.

Important:

The Playhouse has asked that all artwork have bumpers on the back bottom two corners to ensure that the walls don't get marked up. You can use felt pieces for under furniture and cut them to fit if you don't have the ones specifically for frames. Artwork without bumpers will not be accepted. Please ensure that you attach wires so that the painting can hang close to the wall so it doesn't slant outwards. The hanging point should be about 25 inches below the top of the frame.

Please deliver your artwork on time on Wednesday January 21, 2026, at 2 PM so that the hanging can be done as quickly as possible. All hanging will be overseen by the coordinators.

Once the Label information has been received, there will be a confirmation email going out from Cheryl Vandenberg within 48 hours and will include a copy of the release form to print & sign

If the member cannot deliver or pick up their painting then they will have to have someone else deliver or pick up at the set time, letting our hanging committee know ahead.

Catherine Sheppard, SFCA, MPAC

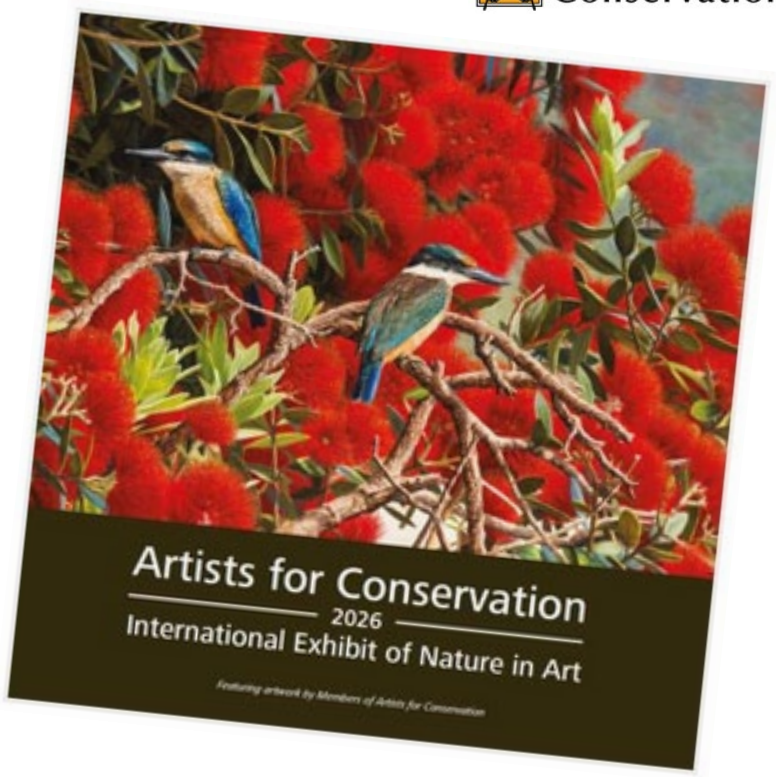

I belong to the Artists for Conservation and have my White Rhino pastel painting in their 2026 hard cover book.

I took the photo of this juvenile southern white rhino while at the Auckland Zoo this March.

White rhino conservation focuses on protecting white rhinoceroses from extinction, preserving their habitats, and ensuring that future generations can survive in the wild.

Although white rhinos have recovered from near-extinction in the past, poaching, habitat pressures, and the critically low numbers of northern white rhinos remain major concerns.

The more numerous subspecies, found mainly in southern Africa. Its population recovered significantly through protected areas, anti-poaching efforts, and carefully managed breeding and translocation programs.
