

Supply List

1. Your standard painting supplies you have in oil or acrylic. No special colours or mediums required. Oil painters, please bring Gamsol or any other odorless mineral spirits to use. No exceptions. If working in acrylic, you may want to include a glazing medium as it provides an easy way to adjust value and colour temperature.
2. Reference photos, either your own or something from pixabay.com, unsplash.com, pexels.com, or any other copyright free image site. It is always best to work from a tablet or a computer monitor, but printouts will work.
3. Canvas or board of your choice for your main painting. It may be best to bring a few different proportions as it is unknown what the composition will be.
4. Canvas paper, paper or boards for various exercises. 8x10"ish sizes.
5. Soft pencil (6B or similar), eraser and Sharpie
6. Sketchbook or any white paper
