

Brad had a bit of a slow start at the plate but then took off about 5 games into the season. From that point on, Brad was a line-drive hitting machine hitting frozen ropes all over Left and centre field. He finished the 2022 season Top 5 in RBI's, Runs, Average and OnBase. Brad played well at Short and some 3B at times.

In 2023, Brad continued to be a key contributor to an ever improving team as he was even better at the plate, on the bases and in the field. He even got a chance to pitch in a game getting 1 out on 5 pitches to end a rally. Brad has the best stolen base % on the team stealing 24 bases in 25 tries over his 3 seasons.

In Year 3, Brad ended up playing only 10 regular season games due to injury which also hurt his offensive production at the plate. He did come back to play in our Wild Card game contributing a massive double and runs scored which, at the time, appeared to be the insurance run we needed to move on.

Note - Only picture available I could find has Brad in his Cards uni.
