

A chance encounter after a game at Millcroft in 2021 resulted in a rekindling of the spark to play again and Geoff joined the team in 2022. It took a little bit of time to get back into the rhythm of the game again but as the season progressed, the "old" Geoff started to re-appear at the plate. Heading into 2023, having started to shake off the rust, Geoff was a beast at the plate and solid behind it as well.

In 2024 Geoff was rock solid as he continued to be that beast at the plate we saw start to emerge in 2023. He was able to significantly improve in every major offensive category despite playing in fewer games.

2025 started off a bit slow for Geoff but as the season went on, he really picked up the pace. After another of our games where we just didn't have any pitching, Geoff volunteered to go back on the mound. The last time he had done so was a forgettable 2/3 of an inning comeback attempt where he just couldn't throw strikes. Well, this time around he was AWESOME!

He went 3-0 for us with 2 complete game wins while hitting a monstrous .481 and being the key cog in all 3 of our wins and our tie as well. He was our Ace in the 2nd half and had he been available to pitch in the wild card game, we would have been on to the playoffs instead of the Cubs.

In 2026, Geoff focused mostly on his hitting and catching. He caught a couple of base runners while providing solid numbers at the plate and consistent offence when called upon.
