

In 2024 Geoff was rock solid as he continued to be that beast at the plate we saw start to emerge in 2023. He was able to significantly improve in every major offensive category despite playing in fewer games.

He went 3-0 for us with 2 complete game wins while hitting a monstrous .481 and being the key cog in all 3 of our wins and our tie as well. He was our Ace in the 2nd half and had he been available to pitch in the wild card game, we would have been on to the playoffs instead of the Cubs.
