

**Blue Jays**

He continued to be a significant contributor on the BVB Cardinals where he has won a Championship with them in 2022.

John returned to the team in 2023 and was a steadying influence at 1st base.

*Yup, that's me behind the plate from this pic taken when we played in the MMBL in 2007. John with the Yankees, me with the MMBL Jays*

In 2024, John was able to do more than just play 1st base as he was able to contribute at 3rd and on the mound where he picked up his first career Save. His times on the mound were probably a bit too rushed at times but given our lack of pitching options early in the season, it was out of necessity more than anything else. Offensively, John was able to improve in every major offensive category and be a fixture in the middle of the order all season long.

As we look to 2025, Johns' continued offensive contributions and more scheduled opportunities on the mound will only help the team win more games.
