## Jorge Guadalupe

I got an email from Jorge asking about looking to play in the league in early January and invityed him to come out and hit with us at the batting cages in Ancaster. Right from the start, Jorge was a baller. You could just tell. His smooth lefty swing and great "D" at first were exactly what we needed on a consistent basis after years of getting average play there.

I don't remember how many how many times Jorge's defence at first saved a run, how many times his scoop-ability (is that a word?) stopped a bad throw from going down the right field line.

Jorge (as well as the other guys we added this year) fit in as if he had been playing with us for the last several years and his consistency at the plate was especially impressive considering how long it had been since he last played.

Looking forward to an even better 2026 now that he has experience in the league, including getting him out on the mound again as we could sure use a southpaw on the mound!
