

In 2024, Juan got a significant amount of time on the mound and started to trust himself when he pitched. At times, he was very effective, at others he was wild (which also can be effective). On the mound, he just needs to cut down the walks and he will be far better. Offensively and in the field, Juan is always a force as he led the team in doubles, triples and tied for the team lead in runs scored.
