

Justin joined the team in 2016 at the same time as Chris. A powerful hitter at the plate and steady fielder regardless of where he plays, Justin has always been a calming influence on the team with the ability to start rally's at the plate and end them with a solid defensive play in the field.

Unfortunately injuries and health concerns cost him the bulk of the 2nd half of the 2022 season right when he had seemingly turned a corner at the plate regarding extra base hits as just before they began, his last 5 hits had been 4 doubles and his first career homer. He had a bounce back season in 2023 both with the bat and was consistent in the field as always.

In 2024, Justin kept on being Justin: Solid at the plate, goes for every ball out in the field as hard as he possibly can and just does everything in his power to help us win. He was far more vocal this year as a coach and leader on the team and it was much needed as we struggled out of the gate during our losing skid. His hitting kept us going in games where, at times, we really had no business being in it still. He also hit his 2nd homer of the season and was willing and able to help out other teams whenever he could.

2025 Justin had a great year at the plate as his batting average went up and he led the team in RBI with 13. He even got to throw the highest number of innings he had ever thrown for us as he pitched 4.1 innings. He is an invaluable asset to the team and an incredible teammate. We are lucky to have him.
