

Klint came aboard during the Pandemic shortened season along with Doug Eley and Terry Arges and instantly took command of the pitching staff. He and Doug became the Aces we needed to get us into contention. We finished with our first .500 record but should have been 6-2 had it not been for a couple of bad bounces that cost us 2 wins that year.

Over the last 2 seasons, Klint has taken on more and more responsibility, joining the coaching staff in 2022 and becoming a workhorse on the mound. His 37 innings pitched this year were the 2nd highest single season total in franchise history and 3 saves were a franchise record. He also had his first complete game win in a victory over the Mudhens. When he isn't on the mound, he is a key defensive cog as he is a stalwart at Short with a canon for an arm.

For 2024, Klint decided to play with the Mudhens. While we will dearly missed having him on the team in 2024, we are hopeful of his return in 2025.
