

Matt was the last active player on the team who played any games prior to 2014 when the team name was the "Yankees". Deadly at the plate and on the base paths, Matt has consistently been among our best hitters over the years holding a career batting average of .371 and OBA of .482. He has collected 65 stolen bases in 71 tries since 2014 including a team record for stolen bases in a season set in 2014 when he stole 18, unlikely to ever be topped (minimum 8 games played in the season).

2023 may have ended up being Matty's last season as despite his intention to play in 2024, a serious back injury has popped up again and may very well forced him to hang up his cleats for good. If 2023 was his last season, at least he went out on a high note as the team enjoyed its greatest successes in 2023 and he was a big part of it.
