

Ric joined the team in 2020 and became the starting Center fielder almost immediately. With his speed he is able to track down almost any ball hit his way and steal bases almost at will as he is 17 for 20 in his 3 seasons.

In 2022, Rick set the records for Hits (27) and RBI in a season (20) and the 2nd highest Batting Average in a season (0.540 - second only to Juan Carlos Gutierrez 2019 record of 0.548 set in 2019) while hitting out of the lead off spot which is all the more impressive. Ric's positive outlook and great attitude have endeared him to his teammates and earned him the respect of his opponents as well.

In 2023, Rick was a steadying influence on the field and at the plate. His presence at the top of the batting order is missed when he can't make it.

2024 saw Rick take things offensively to a new level as he set records for Batting Average (0.556), OPS (1.739) and Singles (22). His stellar "D" coupled with his confidence at the plate were both calming and inspiring as his aggressive at bats led by example and often had him chasing higher then normal pitches (and usually pounding them down the line for a line drive base hit).

Ric was his usual chaotic self at the top of the order. He led the team in Runs (19), HR's (1, tied with JC), 2B's (5) and SB's (8) as well as pissing off the other team (which is EXACTLY what a leadoff hitter needs to do!).
