

Ric joined the team in 2020 and became the starting Center fielder almost immediately. With his speed he is able to track down almost any ball hit his way and steal bases almost at will as he is 17 for 20 in his 3 seasons.

In 2022, Rick set the records for Hits (27) and RBI in a season (20) and the 2nd highest Batting Average in a season (0.540 - second only to Juan Carlos Gutierrez 2019 record of 0.548 set in 2019) while hitting out of the lead off spot which is all the more impressive. Ric's positive outlook and great attitude have endeared him to his teammates and earned him the respect of his opponents as well.

In 2023, Ric was a steadying influence on the field and at the plate as his presence at the top of the batting order is missed when is not available.

2024 saw Ric take things offensively to a new level as he set records for Batting Average (0.556), OPS (1.739) and Singles (22). His stellar "D" coupled with his confidence at the plate were both calming and inspiring as his aggressive at bats led by example and often had him chasing higher then normal pitches (and usually pounding them down the line for a line drive base hit).

Rick has taken it upon himself to go out of his way to find us players (such as Kevin Lamanes) and (hopefully) others as we continue to work towards improving year over year.
