

# Inzpire's September Sip and Swap

**September 22, 2024**

Looking to freshen up your wardrobe or do you have those pieces that you just never choose?

Let's see if we can find some new homes for some of those pieces. You know we're going to have fun with this...I imagine a red carpet fashion walk 🤪 BYOB,

Please bring items (lightly refreshed in the dryer) preferably on a hanger by Sept 14 so we can organize your shopping experience.

\*remaining items will be donated after the event unless otherwise specified.
