FOR IMMEDIATE RELEASE

Upcoming HOLO ART Launch with NASA

Holo Art is excited to announce our launch this Thursday with NASA astrophysicist, Dr. Matthew Greenhouse from the Goddard Space Flight Centre.

Dr. Greenhouse will speak about the USD \$8 billion dollar James Webb Space Telescope (JWST) explorations at the edges of our universe and its successor.

Who should attend? Curious minds and stargazers who are fascinated with astronomy, cosmology and cosmic mysteries. Details below, open to all earthlings.
