

Quality Policy

Cambrian Civil Engineering Limited is committed to comply with the requirements of ISO 9001:2015, the satisfaction of applicable requirements and to continually improve the effectiveness of the quality management system and services.

The senior management of Cambrian Civil Engineering Limited is fully committed to the Documented Quality Management System. It must be clearly understood that this Quality Policy, the Quality Manual and associated Operating Procedures and systems are mandatory on all staff.

The company defines quality as the conformance of services and products to established and documented requirements derived from customer needs, employee expertise and experience. Systems are open to constant examination and review by all company personnel and approved third parties enabling observations to be made and incorporated, which provide for continuous improvement and a philosophy of risk control and evaluation.

Cambrian Civil Engineering Limited has introduced systems that will set and review measurable quality objectives. Senior management will provide any resources required and with all our staff we will try our best to meet and surpass these objectives.

Cambrian Civil Engineering Limited shall ensure this quality policy and quality objectives are compatible with the context and strategic direction of the Company.

This policy is communicated to all staff by permanently displaying a copy at head office and site offices.
