

Why Partner With Us

-  Industry Expertise
-  Steadfast Safety Standards
-  Personalized Approach
-  Proactive Maintenance
-  End-to-End Solutions
-  Proven Success

Industry Expertise

Serving Diverse Business Verticals

 Solar Projects	 Factories	 Hotels
 Schools & Colleges	 Hospitals	 Villas
 Irrigation Projects	 Apartments	 Showrooms

Expert Electrical Solutions from

LAXMI ELECTRICALS

GOVT LICENSED CLASS1 ELECTRICAL CONTRACTORS

-  Siddhivinayak Complex, 2nd Floor, Plot No.166, Sector No.2, Shivabasav Nagar, Belagavi-590016
-  Ashirwad Building, Mahaveer Nagar (North), Chikodi - 591201

Get To Know Us

Powering Your Success with Expert Electrical Solutions

At **Laxmi Electricals** we are more than just a service provider; we are your partners in ensuring the safety, efficiency, and reliability of your electrical systems. Our team of seasoned experts combines technical proficiency with innovative solutions to deliver exceptional results.

As Government **licensed Class I Electrical Contractors** we are known for our high-quality, tailored solutions that meet our clients' unique needs. Our focus on reliability and excellence sets us apart in the industry.

We specialize in **turnkey electrical projects, advanced electrical solutions, electrical asset care & support, design & consultation services** executing each project with precision and a customer-focused approach.

Mission

We are dedicated to enriching customer experiences and forging lasting relationships. Our highly skilled team embraces Quality Service, Responsiveness and Customer Satisfaction as our guiding principles.

Vision

To be a comprehensive leader in commercial electrical services, consistently delivering the highest standards of service to our valued customers.

Built on Experience, Driven by Results, Trusted by Clients

Our Key Offerings

We deliver high-quality, customized electrical solutions and maintenance services designed to meet the demands of modern businesses, industries, and institutions.

Electrical Turnkey Projects External Works

- **High Voltage Infrastructure**
 - 11kV Substation Design, Setup, and Maintenance
 - Dry-Type & Oil-Filled Distribution Transformers
 - High Voltage (HV) Switchboards & HT Panels
- **Power Generation Systems**
 - Diesel Generator Installation & Synchronization
 - BusDuct Systems for Interconnectivity
- **Cable Systems**
 - Underground & Overhead Cable Laying
 - Cable Termination for Power & Control Applications
- **Grounding & Safety**
 - Advanced Earthing Pits & Grid Systems
 - Lightning Protection Systems
- **Electric Vehicle (EV) Charging Stations**
 - Installation of EV Charging Infrastructure
 - Integration with Renewable Energy Solutions

Internal Works

- **Low Voltage Infrastructure**
 - Low Tension (LT) Panels & Distribution Boards
 - LV Switchboards & Smart Distribution Systems
 - Bus Trunking Systems
 - Power & Control Cable Systems
 - Cable Tray Systems for Organized Wiring
- **Cable & Connectivity**
 - Energy-Efficient Lighting for Industrial, Commercial, & Office Spaces
- **Lighting Solutions**
 - Smart Lighting Systems with Automation

Advanced Electrical Solutions

- **Energy Optimization & Power Quality**
 - Load Analysis & Energy Efficiency Optimization
 - Harmonics Filtering & Power Factor Correction
- **System Upgrades & Modernization**
 - Predictive Maintenance & Equipment Health Checks
 - Retrofitting & Upgrading of Electrical Systems
- **Sustainable Energy Solutions**
 - Solar Power Integration with Grid & Backup Systems
 - Renewable Energy Consultation & Setup

Electrical Asset Care & Support

- **Facility Management Services**
 - 24/7 Support with Trained Engineers & Technicians
- **Annual Maintenance Contracts (AMC)**
 - Comprehensive Building Electrical Maintenance
- **Ring Main Units (RMU)**
 - Maintenance & Testing of Air Circuit Breakers (ACBs)
 - LSIG Testing & Electric Panel Maintenance
- **Transformer Services**
 - RMU Maintenance up to 11 kV
 - Transformer Oil Filtration
 - Arresting Transformer Oil Leakage

Design and Consultation Services

- **Energy Efficiency**
 - Designs that minimize energy use and reduce costs
- **Scalable Solutions**
 - Systems built for future growth and easy upgrades
- **Compliance**
 - Designs meet safety and regulatory standards
- **Seamless Integration**
 - Systems that work flawlessly with existing infrastructure
- **Customized Approach**
 - Tailored solutions based on your specific business needs
