

Testimonials

“João was able to help me design, ideation and create my ideal watch end to end. Not only that, there’s literally nobody else that I could find that would help me start my watches at costs that made sense for me. With that being said I’m confident I will always work with him in the future.”

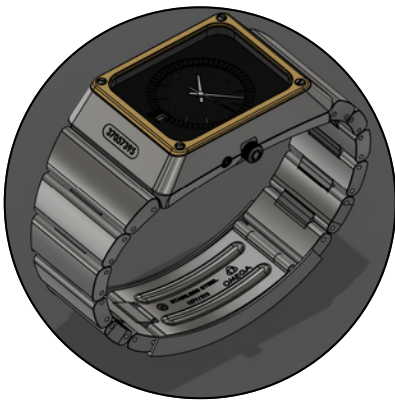

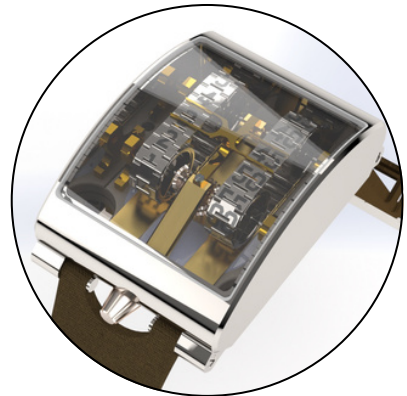

Jordan from Buffalo Soldier Galère, Canada.

“He's definitely skilled and knowledgeable, he knows watchmaking and what can be made in order to fulfill your ideas. He's always available and ready to achieve the planned goals. A true professional. I wish I had found him months ago!”

Simone from a upcoming brand that is on final prototype phase, Italy.

“The outcome of the design looks great. I am very pleased with my order”

“The model work he made is great, he is very accommodating to possible corrections and changes to the design”

Karl a hobbyist, Philipines.

“Un grand professionnel, précis, ponctuel et à l’écoute. Un plaisir de travailler avec João. Je démarre dans ce milieu et je suis content d’avoir pu bosser avec ce monsieur. Merci pour tout”

Translation:

“A great professional, precise, punctual and attentive. A pleasure to work with João. I am starting in this field and I am happy to have been able to work with this gentleman. Thank you for everything”

Nathan from a upcoming brand, France.
