

TEGAN TURNER

ACTRESS

PROFILE

I am an actress born in Cambridgeshire with a range of experience in acting for film, vertical dramas, live performances and even a touch of model and hand modelling. With unique hobbies, I have a wide range skills available such as martial arts and pole fitness. As both an actress and art department assistant, I am a resourceful person to have on set that can jump into any role - which has often been in both roles within the same productions!
