Don't call it a comeback! After a long winter's rest, Old Kinderhook Auction Company has risen with an auction of miraculous proportions. Opening with a single owner estate of Old master works, our art offerings then travel to the artistic soul of NYC with strong spring palettes of a far more contemporary leaning. Highlighting the sale will be the King himself, a collection of 40 original film stills of Elvis Presley by Jonas Mekas. Then into a selection of furniture, frames, and fine objects, including a collection of designer clothes that makes the Shroud of Turin look like a dishrag. Can I get a Hallelujah!?!
