Like the penguins of the arctic or the Modrons of Mechanus, Old Kinderhook has inexorably marched to the end of winter and to the ends of the Earth to bring you a most enticing auction experience. Expect an array of fine art and furniture, frames and decorative objects. Noteworthy highlights include a suite of furniture by Percival Lafer, outsider art including Earl Swanigan, and the antique teddy bear collection of Joe Ribar, sold to benefit a medical fund for the people of Ukraine. At the finish line, a motor city worth of vintage diecast cars, and at all other checkpoints, things to make your engine go VROOM!
