

Help Your Employees Pursue Their Potential

Discover South University's Corporate Education Program

South University's Corporate Education Program allows eligible employees to pursue a degree program at a special tuition rate while working at their current job. When you partner with us, your employees have the chance to gain valuable skills that could help them do daily tasks more efficiently, take on new responsibilities, and better support you in growing your business.

See why **450+** organizations already trust South University as an education partner.

- Special tuition rates for eligible employees, no application fee, and a no-cost transfer credit evaluation
- Programs teach industry-specific skills along with critical thinking, leadership, and workplace communication
- Flexible evening, weekend, and online learning option

Practical, Focused Programs

Our undergraduate, graduate, and doctoral programs help students get ready to make a lasting impact in their field, with real-world and hands-on training in areas such as:

- Business and Technology
- Counseling and Psychology
- Criminal Justice and Legal Studies
- Healthcare Professions
- Ministry
- Nursing
- Public Administration
- Public Health

Scholarships and Grant Opportunities

Contact us for details on additional funding options for qualifying students, including:

- Greater Hampton Roads High School Grant
- Academic Merit Scholarship
- Military Scholarship
- Alumni Scholarship

Support from Start to Finish

From enrollment to graduation, South University provides individualized support and guidance, including a team of advisors and representatives to assist students throughout their program.

Admissions Representatives help students find the right program for their goals, start their South University application, and stay on track through the admission process.

Finance Counselors are the first point of contact regarding student finances and help students explore options for funding their education.

Academic Counselors work to ensure the academic experience is the best it can be by answering questions about a student's degree program.

Program Director guide students through their academic program and offer feedback as they progress in their studies.
