COMPOS MENTIS SERVICES

"I provide medical assistance or advice @ your doorstep"

Dr. Nienke
Specialist
in Geriatric Medicine

Starting February 2024 Dr. Nienke Smits initiated her private practice to assist you with geriatric care consults, in the privacy of your own home.

Care Providers & Companies

Dr. Nienke is available for companies and healthcare institutions for consultations, short-term observations, workshops, training and projects related to specific expertise (general geriatrics, palliative care and dementia).

Statement needed?

Dr. Nienke can help with consults, education, or training. If a family member of someone with dementia needs help, dr. Nienke can guide the process towards having a family member becoming officially responsible for handling the affairs of somebody with a chronic illness.

Our Services

Notary certificate

Do you need an independent medical certificate for the notary or court?

Would you like an independent assessment of your situation by a Geriatric Medicine Specialist?

COMPOS MENTIS

Do you need a declaration of compos mentis for a testament or sale of house or properties? We can help you. Sometimes a lawyer or notary will request a compos mentis declaration before continuing the legal process of preparing documents or legal actions.
