

Our Scents

Adirondack Cranberry This fragrance begins with a pop of red currant and cranberry, bolstered by spicy cinnamon. A heart of sweet black currant and crisp green leaves adds freshness and depth. Vanilla rounds out the base with a creamy sweetness, along with fir and pine to add aromatic, earthy intrigue.

Black Currant Absinthe Captivating and sensual, this scent is a sophisticated cocktail. It begins with delicate saffron threads, sweet anise, and a whisper of eucalyptus. Luscious black currants and blackberries are at the heart with a hint of green, earthy basil. Dark musk, tonka bean, fennel, and amber enhance the intensity of the dark fruit in this rich fragrance.

Candy Cane Crush This blend of cool peppermint and a hint of vanilla, musk and balsam creates a sweet and refreshing aroma that is sure to bring a smile to your face. This fragrance is infused with natural essential oils, including orange essence oil and peppermint oil.

Chestnut & Brown Sugar Warm and cozy scent with notes of chestnuts, brown sugar and vanilla.

Our Scents

Christmas Past Inspired by the nostalgic holiday tradition of studding oranges with cloves. The peppered orange peel and lively apple top notes meld deliciously with warming clove leaf and cinnamon. Subtle tonka bean and vanilla aromas gently ground the bright citrus of this scent. This fragrance is infused with natural essential oils including orange, clove, galbanum and lemon.

Cocoa Butter Cashmere This warm and cozy fragrance creates the perfect comforting ambiance anytime of the year. The complexity of warm spices, rich cocoa butter, olive wood and a touch of coconut sweetness combines to create a truly relaxing fragrance.

Deck the Halls The ambiance of fresh orange peel, festive treats in the oven and base notes of cinnamon and clove set the tone as you turn on the holiday music and prepare to hang the decorations.

Fraser Fir Our true to life Fraser Fir begins with top notes of cypress and zesty lemon peel that fold into woody mid notes of evergreen and cedar. The rich base of fir, amber and moss evokes fond memories of decorating a freshly cut Christmas tree.
