## Spring Outing May 25-27<sup>th</sup>

Our spring outing will be 3-day, 2-night trip to the South Okanagan. Our first stop will be a visit to the Kettle Valley Steam Railway in Summerland where we will capture images of the 1912 steam locomotive and the passenger cars. The 1 ½ hour journey will take us down to the Trout Creek Trestle with some great vistas along the way. Other stops on this outing include visits to the Area 27 Motorsport Park, the Nk'Mip Desert Cultural Centre, the Grist Mill Gardens, the SS Sicamous Paddle Wheeler and a tour of a Fish Hatchery. If the weather is cooperative, we will also be doing some night sky photography. There will be plenty of photographic opportunities on this outing and it is a great way of getting to know your fellow Club members.
