### **The Jarell "City" Jones Memorial Scholarship Application**

**Deadline:** This application form and all other required documentation must be received by Friday, April 22nd, 2022. Please send completed application to the following email: [dentrell10@dtprintanddesign.com](mailto:dentrell10@dtprintanddesign.com).

**Purpose:** Den'Trell White, a SJHS Class of 2006 Alumni created this scholarship to give back to High School Seniors at St. James High School with a desire of going to a vocational or trade school, community college or university, arts and designs schools, institutes of technology, or any higher education learning institute. "I know that college is expensive. I've been there and I want to help a family in need fund their son or daughter's education." -Den'Trell White.

**About our scholarship:** This scholarship is being awarded in loving memory and in honor of the late Jarell Jones, a SJHS Class of 2006 member who tragically killed in Vacherie, LA on November 13<sup>th</sup>, 2016. Jarell was an innocent bystander when gunshots were fired. His life is an example of how important it is for local government and officials to zero in on the gun violence that has taken the lives of so many young black men and women right here in our community. At his funeral so many spoke about his personality and about his character including our founder who briefly spoke about funny moments from their childhood and time at St. James High School. It is our desire to help fuel the future of one senior on a mission of being the change that our world desperately needs right now.

This is our first year awarding the scholarship and one student will be awarded \$250 through our foundation. The check will be made payable to the school. An acceptance letter and/or class schedule will be required before the monies is released to the financial aid department at the school of the student's choice.
