**Purpose:** Den'Trell White, a SJHS Class of 2006 Alumni created this scholarship to give back to High School Seniors at St. James High School with a desire of going to a vocational or trade school, community college or university, arts and designs schools, institutes of technology, or any higher education learning institute. "I know that college is expensive. I've been there and I want to help a family in need fund their son or daughter's education." -Den'Trell White.

**About our scholarship:** This scholarship is being awarded in loving memory and in honor of the late SFC Wayne White and the late Lester Jones. Wayne is Den'Trell's dad, a 22 Year Army National Guard Sergeant First Class at the time of his sudden passing on April 5, 1997 at age 41 from an aneurysm. Lester Jones is his uncle who died suddenly in 2017 and the reason D.T. Print and Design Studio exists today. "I credit both of these men for all of my success today!" -Den'Trell White.

This is our second year awarding the scholarship and two students will be awarded **\$500** each through the *D.T. Cares Foundation, INC.* Each check will be made payable to the school.
