We are excited to announce that the St James Seasoned Saint for November is Don Davis.

Don is married to Arlene Davis now for 62 years, and both have been members of St. James for approximately 62 years. An interesting note is that Arlene's family attended a Baptist church, and Don's family First Baptist Church growing up, so when they married, they chose St. James because Bob and Charlotte Dominick were members of St. James.

Don worked a total of 39 years with 3M (With Bobby Jean Johnson), and GE, which bought out 3M about 25 years into his time at 3M.

Don is, and I do not know how else to put it, a "Class A Machinist" working as a tool and die maker. As so many of you know his first love is updating/restoring older cars. In fact, his Chevy Coupe, the first car he purchased, is still in his garage, and is still running. He smiled when he said: "I have owned that car longer than I have been married to Arlene."

Don is proud to remind others that he is an Eagle Scout, as are his two sons and a number of grandsons.

He also served as a Track Vehicle Mechanic (632-10) for 8 years in the US Army, having served among other assignments, in Ft. Campbell, KY, the home of the 101st Airborne Division.

As you can see Don was an extremely active hard worker, who even found time to serve on the Nominations Committee, among other volunteer positions in St. James over the years.
