FAITHFUL 9
STAY FAITHFUL

Faithful 9 was born from a simple truth
baseball is **more than a game**.

It's early mornings, long drives, hard work, teamwork
and the choices we make when no one is watching.
It's about **staying faithful** to the little things
that shape who we become.

I created Faithful 9 to remind every player
that your **faith** can be your foundation
on and off the field.

This brand is bigger than hats.
It's a movement of purpose, discipline and hope.
A portion of every order **helps support**
children in need through food, clothing
and equipment.

Thank you for being part of the journey
and for representing what it means
to **stay faithful** in every inning of life.
