

ADVOCATING FOR OUR MEMBERS

OHA works closely with the ODFW Commission, state & federal agencies, and the state legislature to represent our membership interests.

How?

- Retaining a year-round lobbyist to maintain OHA's presence in the capitol
 - Alerting members to potential legislative and agency issues
 - Developing testimony and participating in legislative hearings
 - Successfully working with the legislature to defeat anti-hunting bills
- Working hard to protect gun owner rights
 - Participating with ODFW to shape cougar and wolf management plans
 - Providing the voice of hunters within the elk damage program
 - Initiating legal action when needed to maintain public easements and protect critical habitat from development
 - Working to keep public lands in public hands
 - Assisting private landowners through chapter volunteers to monitor gates and host clean-up events in an effort to maintain land access

OHA Advocates for Wildlife Habitat

Hunters are consummate wildlife and habitat conservationists. OHA represents hunters' interests by working closely with state & federal agencies, as well as other conservation organizations, to create, support and fund projects that enhance conservation for all of Oregon's wildlife.

OHA Defends Public Lands & Advocates for Public Access

OHA's mission stands firm on the belief that Oregon's hunters, anglers & outdoor enthusiasts should continue to have reliable access to public lands. We firmly believe that public lands should stay public and hunting legacies should be continued.

OHA Increases Opportunities for All Families.

OHA fosters the legacy of hunting by creating family-oriented events to enhance the community and legacy of hunting families across all ethnic backgrounds. OHA also works closely with ODFW to develop responsible youth hunting education and hunting opportunities.

Visit the Oregon Hunters Association website for more information on how to get involved and find your local chapter.
