OREGON HUNTERS ASSOCIATION

OHA Represents Hunters in Legislature

OHA advocates for hunters and gives our concerns a voice in the legislature. In addition to successfully defeating numerous anti-hunting bills and measures, OHA continues to lobby for tougher penalties for poachers. OHA's full-time presence in the legislature maintains awareness and gives hunters a powerful voice.

OHA Defends Public Lands & Advocates for Public Access

OHA's mission stands firm on the belief that Oregon's hunters, anglers & outdoor enthusiasts should continue to have reliable access to public lands. We firmly believe that public lands should stay public and hunting legacies should be continued.

OHA Advocates for Wildlife Habitat

Hunters are consummate wildlife and habitat conservationists. OHA represents hunters' interests by working closely with state & federal agencies, as well as other conservation organizations, to create, support and fund projects that enhance conservation for all of Oregon's wildlife.
