Time To Renew

What's New for the 2022-2023 USA Gymnastics Membership Season

Registration for the 2022-2023 season is now open! Please review our important new season updates and reminders.

Discontinuing In-House Processing - Online Only Registration

- Please be advised that beginning in June 2022, all membership, sanctions, and educational registration payments will transition to online-only transactions. USA Gymnastics Member Services will no longer accept mailed, faxed, or emailed application forms with checks or credit card information.

Important Notice Regarding Changes to the U110: U.S. Center for SafeSport Core Course Expiration:

- Recently, the U.S. Center for SafeSport provided additional clarification on its annual certification requirement for all adult members of U.S. sports national governing bodies, including USA Gymnastics. This information will specifically impact USAG's annual renewal process.
- [Click here](#) to learn how members may be affected.

Member Club Updates & Reminders:

- Owners/managing directors must renew their membership first before renewing the club membership, as each club must have an owner/managing director with an active membership to renew the club's membership.
- Club administrators can use the "notify" button to send club members a renewal reminder that includes their username and renewal instructions.
- All Member Clubs are required to designate a Safety Champion. As a reminder, a Safety Champion is a person who champions a safe club atmosphere and serves as a liaison between USA Gymnastics and the club on matters related to safety, such as upcoming educational initiatives, policy clarification, and delivering safety messages to club staff, parents, and athletes. Online Registration Reminders

- Parents/guardians must log in to the USA Gymnastics website with their own username and password to register or renew their children's membership.
- All adult (18+) members are responsible for logging in to the USA Gymnastics website with their username and password to register/renew their membership.
- A non-member can affiliate with a club by logging in to the USA Gymnastics website and adding the club to his/her profile.
