Term Limit Defined: All Board positions are 2 year terms and an individual may be elected into a Board position for 3 consecutive terms (maximum of 6 years) before being required to step down (term out). Those listed with a "Yes" under Term Limit above will term out next summer (July 31, 2024), therefore their positions will be open and available to someone new. Those listed with a "No" under Term Limits may continue to run for re-election in their current position or any other position if they so choose. All eligible members (must be a NAWGJ member for a minimum of 90 days prior to an election) may also run for these positions whether or not there is an incumbent.

If you are interested in any of the above positions, please feel free to contact either myself or the position Chair for more information. All interested parties will have the opportunity to shadow and be mentored throughout the upcoming year so they can better understand the requirements and duties of the position. Though we are hopeful that mentoring will encourage an individual to run for the position, it does not commit that individual to do so.

Thank you!
