Did You Know....

CPE for the 2023 - 2024 Season is being accepted NOW thru May 31, 2023

Many of you successfully upgraded your rating in 2022 and it's important to know what your rating was on July 31, 2022 (check your rating card) for this is the rating that needs to be noted on your CPE form. You will need to meet the CPE requirements of this rating even if you tested after August 1 and now hold a higher rating. This applies to first year judges as well – if you had a rating on July 31, 2022 then you are required to submit CPE in order to judge next season. Please use all dates as listed below.

JUDGING ACCREDITATION ANNUAL CONTINUING PROFESSIONAL EDUCATION RECORD	
NAME Jane Doe	STATE FL Member ID # 100020
August 1, 20 22	– July 31, 20 23 HIGHEST RATING HELD AS OF JULY 31 2022

Eligible CPE hours are from June 1, 2022 through the date you submit your form. Any hours prior to this date are too old and can no longer be used. You do not need to submit your documentation, but it's important that you keep it for at least 2 years in the event you get audited by USA Gymnastics. They randomly choose at least 2 judges from FL each year for audit.

Please submit your completed CPE form to me as an attached PDF. Do not send phone pics or screen shots. Email me if you have any questions.
