Celebrating FL NAWGJ Judges

Two of our Florida judges have a birthday in November and I invite you to celebrate them by watching a pair of YouTube videos that were produced on their behalf. Evelyn is being inducted into the NAWGJ Hall of Fame and Toni was taped reading a letter she found that was left by her late husband – Tim Rand. Both are beautiful stories. Take a moment.....

Upcoming Volunteer Opportunities

FL NAWGJ judges are famous for their involvement, helpfulness, and volunteerism. We've had numerous Regional & National events come to our state over the years and FL judges have answered the call for assistance time and time again! Thank you!!

This year is no different and 2 Regional Meets + Eastern Nationals will be hosted in Florida in the Spring. Needless to say, there are several positions to fill (timers, line judges, master scorers, etc.) and we are going to need a LOT of volunteers to cover everything. This is a great opportunity to help out, earn volunteer hours for CPE and get a front row seat to some of the best gymnastics in the country. All rating levels are encouraged to sign up for one, two or all three events

Sign up will begin next month – watch for it!

National/Brevet Judges:

- Participating at *ANY* of these events may also be used on the National/Brevet testing eligibility form for 2026.
- Volunteering a minimum of 2 sessions at either of the *Regional* meets (Bradenton or Ft Lauderdale) is an eligibility requirement for the \$200 testing reimbursement fee from USAG FL. Easterns is not eligible since it is hosted by the National Office and not a Florida club.
