**THE LOOSE WHEEL**  
**CABERNET 2023**  
**BAROSSA VALLEY**

Six generations of the Neldner family have been custodians of the vineyards of the Western Ridge... if only these vineyards could talk. Our wines are Estate Grown, single vineyard, to create a celebration in a bottle, wines to share with your friends and family.

This Cabernet is dedicated to our grandfather Cedric, who lost a wheel on the old tractor trailer when delivering fruit during harvest... one of those classic moments of, do you laugh or do you cry?

This youthful vibrant wine has a palate of rich blackcurrants and plum jam (just like Nana's) with a hint of vanilla and spice. A full bodied and robust mouthful, this wine is drink now or save for later.
