BELLATRIX
GRENACHE ROSE 2024
BAROSSA VALLEY

Six generations of the Neldner family have been custodians of the vineyards of the Western Ridge... if only these vineyards could talk. Our wines are Estate Grown, single vineyard and hand-picked to create a celebration in a bottle, wines to share with your friends and family.

This Bellatrix Grenache Rose is dedicated to Elsie Belle – our female warrior, 7th generation Neldner Wine Co. Conquering her brave cancer battle, farewelling her brain tumour in 2024. Our Grenache Rose exhibits aromas of delicate berries with hints of strawberries and cream. The palate is vibrant with flavours of crisp red apples, summer berries with a dry finish. This will indeed be a celebration in a bottle, every sip of this wine will be a toast to the survival of our little girl, who proves every day that not all heroes wear capes.
