

# SPEND IT ALL

(For Kids!)

You Were Made to Share

By Evangelist Ericka Brown

# Holding Something Special

Have you ever held something really special  
in your hands?

Maybe it was a snack.

Or a toy.

Or even a secret.

Did you want to keep it...  
or share it?

# God Gives Us Special Things

God gives us special things too.

Not just toys.

Not just money.

Kindness.

Courage.

Love.

Helping hands.

# Keep or Share?

Are we supposed to keep  
those things?

Or are we supposed to  
share them?

# A Big Word: Inheritance

The Bible says we have something called an inheritance.

That's a big word!

It means God has already given us something special.

# What God Gives Us

God gives us:

A brave heart.

A loving spirit.

A voice to speak  
kind words.

Hands to help others.

That's our inheritance!

# Keeping It Inside

But if we keep all that  
goodness inside...

No one else  
gets to feel it.

And that's not what  
God planned.

# Shine the Light

Imagine if you had the  
only flashlight in a  
dark room...

Would you hide it?

Or shine it so  
everyone could see?

# Kindness Grows

When we share kindness,  
Kindness grows.

When we share love,  
Love grows.

When we help someone,  
Joy grows!

# What If I'm Shy?

Some kids think:

“What if I don't have enough?”

“What if I'm too shy?”

# Small Acts, Big Difference

God doesn't ask you to be big.

He asks you to be willing.

Even small acts can make  
BIG differences.

# Spend What God Gave You

You can:

- Share your snack.
- Help clean up.
- Say something kind.
- Pray for a friend.

That's spending what  
God gave you!

# God Fills You Back Up

When we share what God  
puts inside us...

He fills us back up again.

It's like a cup that never stays empty.

# You Were Made to Shine

You were not made to keep all  
the good things for yourself.

You were made to share them.

That's how we shine.

# Spend It All!

Don't hold your kindness.

Don't hide your courage.

Don't keep your love to yourself.

**Spend it all!**

What is one kind thing  
you can do today?

Who needs your smile?

Dear God,

Thank You for giving me love,  
kindness, and courage.

Help me share what You put inside me.

Help me shine bright.

Amen.

# Sharing Starts at Home

Sometimes we learn how to share  
by watching the people who love us.

When grown-ups use kind words...  
we learn kindness.

When they forgive...  
we learn forgiveness.

When they help others...  
we learn to help too.

Sharing God's  
goodness  
can start right  
at home.
