Greetings!

The first two months of 2024 have been incredible at LWMC. We are starting to see more people attend worship and discipleship opportunities. As you read this, we are about to have Revival March 10-12. Revival is a word that has been lost in a lot of churches in recent history. Revival is defined in dictionaries as "an improvement in the condition or strength of something." This is true as we gather to hear incredible worship music and preaching from some of the best in the area. We will gather those nights to hear the Word of God speak to us and strengthen our faith. However, it goes so much deeper than that. Robert Coleman the theologian said revival is "the awakening or quickening of God's people to their true nature and purpose." My prayer is that we have revival not only in our church, but also in our community. As we continue to gather on Sunday mornings and other times, I ask you to pray for the revival. Let us pray before revival for all involved who help prepare and lead. Let us pray during revival for God to speak to us and through us. Lastly, let us pray after revival that God reaches all areas of our community, hearts are softened, bodies are healed, and souls are saved in the name of Christ. I love you all and look forward to seeing you in worship. God bless you all,

Sunday School is important for spiritual formation and discipleship, and Sunday School teachers are essential! Please prayerfully consider volunteering in one of our Sunday School classrooms, even if you can only fill in from time to time. Please support Sunday school, as it is a vital part of our church and important to our youth who are wanting to learn about Jesus.

Remember, that God will equip those He has called! Please contact Judy Carroll for more information.

SERVING GOD AND OTHERS: RED BIRD MISSION TEAM outreach efforts continue!

Our family received a new kitchen floor, counters, and sink! The floor was unsafe for this elderly couple. The team, including Jeff Clarke and Fred Mills-Winkler, rebuilt the kitchen to provide the family a safe room to gather for meals. Our next trip is October 13-18, 2024. Please consider supporting this vital mission in a forgotten part of our country!

AGAPE DINNER YOUTH FUNDRAISER!

Thank you to all people who came out to the Agape Dinner! We all had a fun time, great food, and fellowship. The youth hosts and hostesses all worked hard and did an amazing job! Thanks also to the 50+ group who helped with the preparation, decorations, and meal. As always, the support for our youth was tremendous. Your donations will help with the youth's trip to SURGE this summer!
